

## **FISCAL NOTE**

### **SB 870 - HB 1168**

March 23, 2007

**SUMMARY OF BILL:** Permits a certified animal control agency to authorize the capture of pets using sedative drugs without a veterinarian being present.

#### **ESTIMATED FISCAL IMPACT:**

##### **Increase State Expenditures – \$6,400 One-Time**

Assumptions:

- Requires the state veterinarian to certify that individuals are appropriately trained to administer the approved drugs. All capture drugs must be approved by the state board of veterinary medical examiners.
- It is estimated that establishing this regulatory system will require an additional 40 hours at \$80 per hour for legal and veterinarian time increasing one-time state expenditures \$6,400 (\$80 x 40 x 2).
- The entity providing the training and testing for certification will be responsible the cost of the development, presentation, and certification of completion and participants will pay their own tuition.

#### **CERTIFICATION:**

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" and last name "White" clearly distinguishable.

James W. White, Executive Director
